

Lucky Man

The Verve

It's like, it's like, it's like
It's like, it's like, it's like
It's like, it's like, it's like Happiness, more or less
It's just a change in me
Something in my liberty
Oh, my, my Happiness, coming and going
I watch you look at me
Watch my fever growing
I know just where I am But how many corners do I have to turn?
How many times do I have to learn
All the love I have is in my mind? Well, I'm a lucky man
With fire in my hands Happiness, something in my own place
I'm stood here naked
Smiling, I feel no disgrace
With who I am Happiness, coming and going
I watch you look at me
Watch my fever growing
I know just who I am And how many corners do I have to turn?
How many times do I have to learn
All the love I have is in my mind? I hope you understand
I hope you understand You know, you know, you know
You know, you know, you know
You know, you know, you know Happiness, more or less
It's just a change in me
Something in my liberty Happiness, coming and going
I watch you look at me
Watch my fever growing
I know Oh, my, my
Oh, my, my
Oh, my, my
Oh, my, my Gotta love that'll never die
I gotta love that'll never die
No, no Oh, oh, oh, I'm a lucky man It's just a change in me
Something in my liberty
It's just a change in me
Something in my liberty It's just a change in me
Something in my liberty
Oh, my, my
Oh, my, my It's just a change in me

Something in my liberty

Oh, my, my

Oh, my, my
