Lucky Man

The Verve

It's like, it's like, it's like It's like, it's like, it's like It's like, it's like Happiness, more or less It's just a change in me Something in my liberty Oh, my, myHappiness, coming and going I watch you look at me Watch my fever growing I know just where I amBut how many corners do I have to turn? How many times do I have to learn All the love I have is in my mind? Well, I'm a lucky man With fire in my handsHappiness, something in my own place I'm stood here naked Smiling, I feel no disgrace With who I amHappiness, coming and going I watch you look at me Watch my fever growing I know just who I amAnd how many corners do I have to turn? How many times do I have to learn All the love I have is in my mind? I hope you understand I hope you understandYou know, you know, you know You know, you know, you know You know, you know, you know Happiness, more or less It's just a change in me Something in my libertyHappiness, coming and going I watch you look at me Watch my fever growing I knowOh, my, my Oh, my, my Oh, my, my Oh, my, myGotta love that'll never die I gotta love that'll never die

I gotta love that'll never die

No, noOh, oh, oh, I'm a lucky manIt's just a change in me

Something in my liberty

It's just a change in me

Something in my libertyIt's just a change in me

Something in my liberty

Oh, my, my

Oh, my, myIt's just a change in me

Something in my liberty Oh, my, my Oh, my, my
