Animal Army

Babylon Zoo

Tyrannosaurus marches before us
Lions laugh at the smell of a gun
Ride on the back of an elephant's shoulders
Tell all your friends you're an angel
Animals dance along, animalsTyrannosaurus marching towards us
Lions a mass coming out of the grass
Ride on the back of an elephant's shoulders
Tell all your friends your an angel
An angel, an angelLeopards dancing, leopards dancing in my paradise
Animal armies, animal armies in myTyrannosaurus marching towards us
Lions a mass coming out of the grass
Ride on the back of an elephant's shoulders
Tell all your friends your an angel
An angel, an angelLeopards dancing
(Leopards dancing)
In my paradise
Tigers dancing
(Tigers dancing)
In my paradiseChrome and candy
(Chrome and candy)
In my paradise
Animal armies, animal armies in myLeopards dancing, leopards dancing, in my, in my, paradise
(Paradise)
Tigers dancing, tigers dancing, in my, in my, paradise
(Paradise)
Solar planets, solar planets, in my, in my, paradise
(Paradise)
Animal armies, animal armies in myParadise
Paradise
Paradise
