

# If Money Grew on Trees

## The Toppers

If money grew on trees,  
Heaven knows that I would live a life of ease.  
Iâ€™d travel evâ€™rywhere,  
Live just like a millionaire.

If money grew on trees,  
I would find a fortune floating in the breeze.  
I wouldnâ€™t mind working hard,  
Raising money in my own backyard.

Iâ€™d buy a million dollars worth of flashy clothes,  
Strut down old Broadway.  
I wouldnâ€™t squeeze a dollar till it hollered.  
If it hollered, Iâ€™d throw it away.

Iâ€™d live just like a king.  
On each finger I would wear a diamond ring.  
Then life would be a joke,  
â€™Cause I never would be broke  
If money grew on trees.
