

Show Me the Way Back to Your Heart

Brian McKnight

I remember days and nights were never cold
Had you in my life, I had you there to hold
And I remember love warm as a summer day
But I lost you and I lost my way

Now I'm in the rain, begging you please, pleaseBaby, won't you show me the way back to your heart?

Let me see a sign to know if I'm close or far

Lead me back to the road

That leads back to your arms

Back to your armsEvery night another lonely street, I walk down alone

Searching for the light, your light to lead me home

Leave a candle in the window and let it shine for me

Take my hand and take these tears away

I can't take the pain, I'm on my knees, begging you pleaseBaby, won't you show me the way back to your heart?

Let me see a sign to know if I'm close or far

Lead me back to the road

That leads back to your arms

Back to your armsTake my hand

Take me in your arms

I'm out in the dark

Down on my knees, begging you pleaseShow me the way back to your heart

Let me see a sign to know if I'm close or far

Lead me back to the road

That leads back to your arms

Back to your arms

Back to your arms
