You gone take them 5  
Or you gone take them to the trial and go get denied?  
By that probation and you just got  
Caught with that fry, that alibi ain't gone work Ain't it somethin' how them niggas  
From out that three be doin' that dirt?

Then you can go in them hallways and smoke that fire all day Shh, be quiet, tonight is the night that we ride  
Thirty camouflage hummers with niggas inside
