

# No Beverly Hills

## Velcro Pygmies

Aint got my picture in no magazine  
Donâ€™t ride around in no black limousine

Aint got no money to be spent on drugs  
Donâ€™t sleep with women on no Persian rugs

Donâ€™t drive a car that goes so fast we get killed  
And I donâ€™t have a house in Beverly Hillsâ€¦.

Aint got no records hanging on my wall  
No secretaries to hold my calls

No crazy women sleeping in my yard  
And I donâ€™t own a single credit card

Aint got a mountain size pile of bills  
And I donâ€™t have a house in Beverly Hills

Aint got no phone, aint got no car  
Cant get no credit at the local bar

Aint got a watch, no diamond ring  
In fact I donâ€™t think I have anything

Aint got no phone, aint got no car  
Cant get no credit at the local bar

Aint got a watch, no diamond ring  
In fact I donâ€™t think I have anything

Aint got investments in no real estate  
Aint got no money but it sure feels great

Donâ€™t owe no money to the government  
I donâ€™t owe anyone a single cent

Aint got a mountain size pile of bills  
And I donâ€™t have a house in Beverly Hills  
No Beverly Hillsâ€¦..No Beverly Hillsâ€¦..No Beverly Hills
