

The One I Love

Tyrone Wells

You are the one I love, yeah
You are the one I love Oh, oh, oh, oh It rained on Tuesday
And I thought of you
The sun shining on a Thursday
I thought about you then too
It don't matter when
It don't matter why
Every day and night
Baby all the time
You're in my heart
You're on my mind
I don't even try You are the one I love, yeah
You are the one I love
You are the one I love, yeah
You are the one I love
And I'm never ever ever gonna let you go
I'm always gonna hold you close, yeah
You are the one I love, yeah
You are the one
You're the one I love Oh, oh, oh, oh Just walking down the sidewalk
You pull back your hair
I'm listening as you talk
Just glad I'm there
It don't matter when
It don't matter why
Every day and night
Baby all the time
You're in my heart
You're on my mind
I don't even try You are the one I love, yeah
You are the one I love
You are the one I love, yeah
You are the one I love
And I'm never ever ever gonna let you go
I'm always gonna hold you close, yeah
You are the one I love, yeah
You are the one
You're the one I love I give you all my loving
You've got all my loving

Kissing and a hugging tooOh, oh, oh, ohI give you all my loving
You've got all my loving
Kissing and a hugging tooOh, oh, oh, ohYou are the one I love, yeah
You are the one I love
You are the one I love, yeah
You are the one I loveIt's as simple as thatYou are the one I love, yeah
You are the one I love
You are the one I love, yeah
You are the one I love
And I'm never ever ever gonna let you go
I'm always gonna hold you close, yeah
You are the one I love, yeah
You are the one
You're the one I love, yeah
You're the one I
You're the one I loveYou're the one I love
