Gunshot

Isiah Shaka

No escape for me
Would you set me free?
Chase me, hunt me down
Make me change my mind
I don't wanna know
What you're gonna make me do
What you're gonna take me through
But I'm telling you
You could be my life
If you could be my getaway
Get get getaway
Get get getaway
There's nothing to say
I can't run away
I know you're aiming at me
And I'm still afraid
Don't leave me for dead
'Cause I just feel it
Like a gunshot, baby
When you touch me
Maybe I will die
Yeah maybe I will die
And if I run like crazy
Will your gunshot take me?
Will you save me, baby?
Will I die?
Insecurity
You have weakened me
Tell me what to do!
Can I count on you?
Will you hit and run?
Will you bring me suffering?
Shooting through my armoring
I am lingering
'Cause you could be my life
If you would be my getaway
Get get getaway
Get get getaway
There's nothing to say

I can't run away
I know you're aiming at me
And I'm still afraid
Don't leave me for dead
'Cause I just feel it
Like a gunshot, baby
When you touch me
Maybe I will die
Yeah maybe I will die
And if I run like crazy
Will your gunshot take me?
Will you save me, baby?
Will I die?
Boom, boom, boom
Ears are ringing now
Boom, boom, boom
Come on, sing it now
Come on, sing it now
You be makin' it
Boom boom boom
You be shakin' it
Boom, boom, boom
You surrender now
You surrender now
There's nothing to say
I can't run away
I know you're aiming at me
And I'm still afraid
Don't leave me for dead
'Cause I just feel it
Like a gunshot, baby
When you touch me
Maybe I will die
Yeah maybe I will die
And if I run like crazy
Will your gunshot take me?
Will you save me, baby?
Will I die?
