Unlucky 13

Zeitgeist Zero

Walk under ladders
Shatter seven mirrors
They say that's bad luck
For seven years
So, drink your glasses
But not at midnight
Salt over your shoulder
Into the fury!Goes through with insecure
Goes through with insecureI laugh at (..)Now I'm looking at the evil eye
OH MY GOD IT'S HAPPENED TO ME!
MAYBE I'M WISHING FOR MY ENEMY!Seem strong seems again the more I gain to kill with hateGo ahead and get it off your chest
With what you may survive
Now give it
Nothing's what it seems
Unlucky 13
Lucky 26
With unlucky 13Lay on a (..)
Not afraid
To rue the night
So many questions
That cross my path
It is the power
Do what we will
I'm not the one
That comes across so strong
This is the hour
Clean out the spirits worldI laugh as sinners drive by
Now I'm looking at the evil eye
OH MY GOD IT'S HAPPENED TO ME!
MAYBE I'M WISHING FOR MY ENEMY!Seem strong seems again the more I gain to kill with hateGo ahead and get it off your chest
With what you may survive
Now give it
Nothing's what it seems
Unlucky 13
Lucky 26
With unlucky 13Sit strong, six again, alone again,
To deal with hate

Sit strong, six again, alone again,
To deal with hate
Go ahead and get it off your chest
With what you may survive
Now give it
Nothing's what it seems
Unlucky 13
Lucky 26
With unlucky 13LIVE our lucky life!UNLUCKY 13
