My Story

Hillsong Worship

God will always be my story
Nothing less than Christ my Savior
God will always be my hope
Nothing more than Christ aloneAnd this will be my story
And this will be my song
My chains are broken
I am freeAnd this will be my story
And this will be my song
I'll praise You my Savior
JesusTake my life but give me Jesus
To know You God is why I live
Take the world but give me Jesus
For all my days I'll follow YouAnd this will be my story
And this will be my song
My chains are broken
I am freeAnd this will be my story
And this will be my song
I'll praise You my Savior
JesusWe lift Your name up
We lift Your name
You are higher
There's no one like You, Jesus
(x4)And this will be my story
And this will be my song
My chains are broken
I am freeAnd this will be my story
And this will be my song
I'll praise You my Savior
JesusWe lift Your name up
We lift Your name
You are higher
There's no one like You, Jesus
(x4)
