## YoungTeam

We were young  
And none of us know quite what to say  
But the feeling moved  
Among us in silence anyway  
Slowly we had made Quite a change  
Somewhere we had crossed a big line  
Down upon our knees  
We had tasted holy wine  
And no one could sway us  
In a life time Purer than the sky  
Behind the rain  
Falling down all around us  
Calling out from a boundless love Love had lit a fire  
We were the flame  
Burning into the darkness  
Shining out from inside us Not a word  
And no one had to say  
We were changed  
Nothing else we lived through  
Would ever be same the same  
Knowing the truth  
That we had gained Purer than the sky  
Behind the rain  
Falling down all around us  
Calling out from a boundless love Love had lit a fire  
We were the flame  
Burning into the darkness  
Shining out from inside us Stay with me  
Make it ever new  
So time will not undo  
As the years go by  
How I need to see  
That's still me Falling down all around us  
Calling out from a boundless love Yeah Burning into the darkness  
Shining out from inside us Purer than the sky  
Behind the rain  
Falling down all around us  
Calling out from a boundless love Love has lit a fire  
I am the flame

Burning into the darkness  
Shining out from inside usPurer than the sky  
Behind the rain  
Falling down all around us  
Calling out from a boundless love  
(Ohh)Love has lit a fire  
I am the flame  
Burning into the darkness  
Shining out from inside usPurer than the sky  
Behind the rain  
Falling down all around us  
Calling out from a boundless love
