

Heartaches, Heartaches

O.V. Wright

Started out like in the movies
But it ended like a bad dream
Curtain opened, heard the crowd roar
This one's a repeat, seen it before
Rewind to the start before it all went wrong
What's going on?
Fast forward to the end, after everyone's gone home, oh
And they've forgotten it all
This ain't a
movie that I wanna see
A tragic story, starring you and me
Yell "cut", we're stuck inside this scene
This is heartache on the big screen
The clock is ticking, and I'm out of time
The camera's rolling, and I forgot my lines
My script is ripped and now I see
This is heartache on the big screen
This is heartache on the big screen
Curtain closes on this cliché
A good story of a bad day
Back to square one, where I started
As I stand here, broken hearted
Fast forward to the end, after everyone's gone home, oh
And they have forgotten
it all
This ain't a movie that I wanna see
A tragic story, starring you and me
Yell "cut", we're stuck inside this scene
This is heartache on the big screen
The clock is ticking, and I'm out of time
The camera's rolling, and I forgot my lines
My script is ripped and now I see
This is heartache on the big screen
If Hollywood could see me now
I'd get the starring role
But they won't so I'll just keep on acting a fool
This ain't a movie that I wanna see
A tragic story, starring you and me
Yell "cut", we're stuck inside this scene
Yeah
The clock is ticking, and I'm out of time
The camera's rolling, and I forgot my lines
My script is ripped and now I see
This is heartache on the big screen
This is heartache on the big screen
This is heartache on the big screen
