From Finner

Of Monsters and Men

We came here on his back
And we caught your eye
The salty ocean wind
Made the seagulls cry
The rocking of his house
Had me holding on
But I knew that I was safe
From there on outAnd the waves that hit his face
Marked the past
And the furrows on his skin
Oh, how time goes fastAnd we are far from home, but we're so happy
Far from home, all alone, but we're so happyAfter every sunny day
Came a stormy night
That's when Finner would say
Keep your heads held highAnd we are far from home, but we're so happy
Far from home, all alone, but we're so happy
