

This Year

Christina Aguilera

Ooh, huh, yeah yeah

Ooh

Ooh ah

You'll be my New's Year Day, my valentine

I ain't gonna stop until I make you mine

You'll be my April Fool, my Mardi Gras

The music on my tongue, when I sing fa la la You'll be my flower child in the month of May

My sunny summer love on my holiday

You'll be my autumn leaves, my Halloween

The winter snow and everything that's in between This year I'm gonna take you home

This year I don't want to be alone

This year, this Christmas, together

And the minutes they pass, and the hours, they fly

This year, this Christmas, forever

And the weeks and the months go rushing by

This year we have learned how to live

How to forget, and how to forgive without fear

Just love, this Christmas, this year You'll be my spring ahead, my fall behind

The shimmy in my hips, oh when I bump and grind

You'll be my Santa Boy, all dressed in red

And ride that little reindeer all through my head, ooh, ooh Here we go, oh yeah This year I'm gonna take you home

This year I don't want to be alone

This year, this Christmas, together

And the minutes they pass, and the hours they fly

This year, this Christmas, forever

And the weeks and the months go rushing by

This year we have learned how to live

How to forget, and how to forgive without fear

Just love this Christmas, this year This year I pray for

And I think of you

Mmm, just wanna be with you

This year that's all I wanna do

Day by day, I'm gonna get my way

This year I pray for you

Seasons turn, I've got a lot to learn

And I thank God for you This year I'm gonna, gonna, gonna take you home

'Cause I don't want to be alone

This year, this Christmas, together

And the minutes they pass, and the hours they fly
This year, this Christmas, forever
And the weeks and that months go rushing by
Now this year we have learned how to live
How to forget, and how to forgive without fear
Just love
This year we have learned how to live
How to forget and how to forgive without fear
Just love this Christmas, this year
