Rabbit Hole

Devon Williams

I don?t wanna be the only one ?round here
Everything I?m saying?s falling on deaf ear?
Come to get you if you make another sound
Make you an example since you?re crawling home
Anyone who listen?s gonna get their? when the water floods down
To the rabbit hole
Hands up if you think you?re gonna save us now
Before we shoot the mes?enger for talking too loud
We?ll keep you on the run
'Til we get what we want
Every which way you go they?re gonna hunt you down
Making you believe a lot of sticks and bricks can get you stoned

Cause anyone who listen? is gonna get theirs when the water floods down
To the rabbit hole
You think we're gonna run
If you think we're gonna run, you're wrong
Just feeding with flames
Arre?ting the fight
And it?s a cold day in hell
It?ll be a cold day in hell
Before we're done
Just feeding the flame
Arresting the fight
With fire, with fire, with fire
Rabbit hole
