Beautiful Lie

Brothers Grimm

Be my fantasy,
holding back nothing.
Are we agreed?
(What this is for?)
Be my fantasy,
Be my everything.
We don't need,
anything more.

THERE YOU GO AGAIN!
YOU LEFT ME IN THIS HELL WITH YOUR LIES!
GOT NOTHING TO SAY!

(What this is for?)

I CANT STAND THE LOOK IN YOUR EYES
LETS GET REAL TONIGHT
I WANT YOU OUT OF MY LIFE

'Cuz you keep insisting
that I've been wishing up for your demise
Now look who's wearing the disguise
What a beautiful lie.
Your Armour's clean
But the battle line's been torn
been trying so hard to cover up,
the score.

Just take a look at me.
Just take a look at me.
It's been too long.

Remember what you told me.

Be my fantasy,
holding back, nothing.
Are we agreed?
(What this is for?)
Be my fantasy,
Be my everything.

We don't need,
anything more.

Be my fantasy,
holding back nothing.
Are we agreed?
(What this is for?)
Be my fantasy,
Be my everything.
We don't need,
anything more.

YOU'RE NO GOOD FOR ME!
ALWAYS PLAYING GAMES WITH MY MIND!
DO YOU ENJOY THE SIGHT?
CAN YOU LOOK AT ME AND SAY WHAT WE HAD WAS NEVER ANYTHING
I NEED YOU OUT OF MY LIFE
THESE SCARS WILL HEAL WITH TIME

'Cuz you left me,
in the dark,
and I've been walking for a thousand miles.
'Cuz if you're losing hope, just take a look at me.
And I've got nobody to thank but you
so let me just,
Fuck you.
You've always been the spark that kept us burning down
to the ground
Just take a look at me.
