

# I'm His Only Woman

Jennifer Hudson

Hello? Hello, can I speak to Jennifer, please?  
Yes, this is Jennifer, may I ask who's calling?  
Hi Jennifer, I'm Tony's girlfriend  
I don't mean to call on that disrespectful stuff like  
Wait a minute, Tony's girlfriend?  
Apparently you got the wrong number  
Because I'm Tony's woman, his only woman that is  
Well, obviously that's what he's been telling you  
But I'm calling right now to formally introduce myself  
My name is Fantasia, did you just say introduce yourself?  
Yeah  
Well, I don't need no introduction  
I am his woman and I am Jennifer Hudson  
If this was ten years ago I'd be at your front door  
Ready to whoop your ass but you know what I'm too grown for that  
I ain't got nothing else to say  
I'm his only woman, his woman  
And you can't break up this home  
You can say what you want  
This is my man, get your own  
After all these years I spent, must have been close to ten  
You can't mean the same to him especially when that's my man  
Baby now that he's with you tell me why he calls me boo  
Guess he played you like a fool, I think he's lying to you  
Oh, I'm just tryna talk to you baby, woman to woman  
  
Like two adults not tryna start no commotion  
But the man you claim is yours says he's mine and he loves me too  
Same promises to you, the honest truth, guess we both are fools  
Seems that you're the one who's calling me  
Oh, he belongs to me, only me and only me  
This situation you don't want no confrontation with, with me boo  
I don't know what he's telling you  
But it seems to me that you're confused  
I'm his only woman, his woman, yeah  
And what you're saying to me I don't care  
I'm not tryna go back and forth  
Simply you're not welcome over here  
After all these years I spent, must have been close to ten

You can't mean the same to him especially when that's my man  
Baby now that he's with you tell me why he calls me boo  
I guess he's lying, lying to you  
I can't believe it, can't believe it  
The same man that I knew when he lived with his mama  
The same damn man who car note that I paid  
Who bed that I made so you better believe  
After all the years I spent, must have been close to ten  
You can't mean the same to him especially when he's my man  
Baby now if he's with you tell me why he calls me boo  
Guess he lied to me and he's lying to you
