I Like Everything You're Doin'

La Toya Jackson

(Ooo, oh yeah)
(I like everything youre doin)
(Ah-ah-ah I like it)(Ooo, oh yeah)
(I like everything youre doin)(Ooo, oh yeah)
(I like everything youre doin)
(Ah-ah-ah I like it)(Ooo, oh yeah)
(I like everything youre doin)
(So keep it up!)Ive been thinking about you standing so close to me
I get so excited very easily
Boy, make me feel so good
And I never dreamed that someone like you could
But Im not that kind of girl
(Sexy lover)
And if you think Im youre gonna be surprised
Cause find that sure enough
(In any other)
Cause what I have to give comes from inside
Everywhere you go
I just want to be there
(Youre all...)
Darling all night long
Youre a dream come true
In that satisfaction
(My love)
Me forever yours(Ooo,) ooo (oh yeah) oh yeah-yeah
(I like everything youre doin)
(Ah-ah-ah I like it)(Ooo,) ooo (oh yeah) oh yeah
(I like everything youre doin)
(So keep it up!)Every time we kiss, I want you more and more
You always keep me guessing I never know what in store
Boy you really turn me on
Dont stop this feeling and I know you wont go wrong
But Im not that kind of girl
(Sexy lover)
And if you think Im youre gonna be surprised
You find that sure enough
(In any other)
Cause what I have to give comes from inside
Everywhere you go

I just want to be there
(Youre all...)
Darling all night long
Youre a dream come true
In that satisfaction
(My love)
Me forever yours(Ooo,) ooo (oh yeah) oh yeah-yeah
(I like everything youre doin)
(Ah-ah-ah I like it)(Ooo, oh yeah) I see
(I like everything youre doin)
(So keep it up!)Oh-oh keep it up babe
Keep it up baby yeah
All nightlong
Just me here(Ooo,) ooo (oh yeah) oh yeah-baby
(I like everything youre doin)
(Ah-ah-ah I like it)(Ooo, oh yeah) oooh yeah
(I like everything youre doin)
(So keep it up!)
Boy you know just what you doing
(oh yeah)
(I like everything youre doin)
(Ah-ah-ah I like it)
You make me feel so(Ooo, I see)
(I like everything youre doin)
(So keep it up!)
(Ooo, oh yeah)
(I like everything youre doin)
(Ah-ah-ah I like it)
(Ooo, I see)
(I like everything youre doin)
(So keep it up!)
(Ooo, oh yeah)
(I like everything youre doin)
(Ah-ah-ah I like it)
(Ooo, oh yeah)
(I like everything youre doin)
(So keep it up!)
