High

Lighthouse Family

When you're close to tears remember
Someday it'll all be over
One day we're gonna get so highThough it's darker than December
What's ahead is a different color
One day we're gonna get so highAnd at the end of the day remember the days
When we were close to the edge
And wonder how we made it through the nightThe end of the day remember the way
We stayed so close till the end
We'll remember it was me and you'Cause we are gonna be
(Forever, high forever)
Forever you and me
(Forever, you and me forever)
You will always keep it flying high
(Forever, high forever)
In the sky of love
(Forever, you and me forever)Don't you think it's time you started
Doing what we always wanted
One day we're gonna get so high'Cause even the impossible
Is easy when we got each other
One day we're gonna get so highAnd at the end of the day remember the days
When we were close to the end
And wonder how we made it through the nightThe end of the day remember the way
We stayed so close till the end
We'll remember it was me and you'Cause we are gonna be
(Forever, high forever)
Forever you and me
(Forever, you and me forever)
You will always keep it flying high
(Forever, high forever)
In the sky of love
(Forever, you and me forever)'Cause we are gonna be
(Forever, high forever)
Forever you and me
(Forever, you and me forever)
You will always keep it flying high
(Forever, high forever)
In the sky of love
(Forever, you and me forever)High, high, high, high
High, high, high, highAnd at the end of the day remember the days

When we were close to the end
And wonder how we made it through the nightThe end of the day remember the way
We stayed so close till the end
We'll remember it was me and you'Cause we are gonna be
(Forever, high forever)
Forever you and me
(Forever, you and me forever)
You will always keep it flying high
(Forever, high forever)
In the sky of love
(Forever, you and me forever)'Cause we are gonna be
(Forever, high forever)
Forever you and me
(Forever, you and me forever)
You will always keep it flying high
(Forever, high forever)
In the sky of love
(Forever, you and me forever)'Cause we are gonna be
(Forever, high forever)
Forever you and me
(Forever, you and me forever)
You will always keep it flying high
(Forever, high forever)
In the sky of love
(Forever, you and me forever)'Cause we are gonna be
(Forever, high forever)
Forever you and me
(Forever, you and me forever)
You will always keep it flying high
(Forever, high forever)
In the sky of love
(Forever, you and me forever)
