

Worlds Apart

Cactus World News

My name is Frank
Amn't I cool, guess what?
U2 went to my school!Worlds apart x3
But never closerI touch kids (with my music)
I use my axe (Code word for dick)
Everbody hurts sometimes
But that just makes me harderEverything hurts, it hurts when I pee
One time Bono told me he wished he was meWorlds apart x3
But never closerWoody harrelson, hes in the ra
Donald Trump, hes in the ra
Bono, hes in the ra
Id give anything to taste his sweet gravyId work his shaft
Id cradle his ballsWorlds apart.
But never closer.
