

Permanent December

Miley Cyrus

I've been to London, been to Paris
Australia and Rome
There's sexy boys in every city
But they're not what I want
Some got money, some got fame
Some got cars and the clothes
But if it just ain't you
Then I don't wanna know 'Cause baby, now I realize that I was wrong
When I said I didn't need you so
Miss you bad so now I'm comin' home
So you better leave the light on
Wait for me and just leave the light on, hey
This feels like a permanent December
So much colder than I can remember
When I get you back, this time I swear that I won't
Won't ever let you go, won't let you go, no
Won't let you go, go, go, go
Won't let you go, no
Go, go, go, go, no, no, no, no
I've been to New York and to L.A
And to Baton Rouge
I met a boy in every city
No one kept me amused
But don't call me a Lolita
'Cause I don't let 'em through
'Cause I'm saving all my lovin'
For someone and it's you
'Cause baby now I realize that I was wrong
When I said I didn't need you so
Miss you bad so now I'm comin' home
So you better leave the light on
Wait for me and just leave the light on, hey
This feels like a permanent December
So much colder than I can remember
When I get you back, this time I swear that I won't
Won't ever let you go, won't let you go, no
Won't let you go, go, go, go
Won't let you go, no
Go, go, go, go, no, no, no, no
Won't let you go, go, go, go
Won't let you go, no
Go, go, go, go, no, no, no, no
Hey, what do you say?
'Cause I been all around the world
And they just ain't the same
Hey, what do you say?
Without my baby
I go crazy and I just gotta scream
But now I realize that I was wrong
When I said I didn't need you so
Miss you bad so now I'm comin' home
So you better leave the light on
Wait for me and just leave the light on, oh, oh
This feels like a permanent December
So much colder than I can remember

When I get you back, this time I swear that I won't
Won't ever let you go, won't let you go, no
Won't let you go This feels like a permanent December
So much colder than I can remember
When I get you back, this time I swear that I won't
Won't ever let you go, won't let you go, no Won't let you go, go, go ,go
Won't let you go, no
Go, go, go, go, no, no, no, no Won't let you go, go, go ,go
Won't let you go, no
Go, go, go, go, no, no, no, no
