

Who Is Watching (Perry O'Neil Remix)

Armin van Buuren

Is it stinging
The acid in your stream
Hear the ringing
Voices in between You picked this tune to play
And you've had to have your way
Got your masterpiece
But you don't seem pleased So here it is, custom made
You wrapped the world around your finger
Did you take on an endless tower?
Has your spring turned into winter? You're frozen cold
A one man show
But who is watching?
There's no one watching No one watching
No one's watching
Oh, ooh, ooh
No, no Now, you got it then
Everything you asked
Burned your bridges
So, why you turning back? My doors won't fit you through
Your head's too heavy to
What could I give you now?
I'm still the same tale So here it is, custom made
You wrapped the world around your finger
Was it all a big mistake?
Has your spring turned into winter? You're in control
A one man show
But who is watching?
There's no one watching So here it is, custom made
You wrapped the world around your finger
You're claim to fame turned out a shame
Has your spring turned into winter? You held your own
One man show
But no one's watching
No, no one's watching But no one's watching
No, no one's watching
But no one's watching
No, no one's watching But no one's watching
No, no one's watching
But no one's watching

No, no one's watching You can't go back
And you can't come back
And you can't go back
And you can't come back And you can't go back
(But who is watching?)
And you can't come back
(There's no one watching) And you can't go back
(But who is watching?)
And you can't come back
(There's no one watching) But who is watching?
There's no one watching
But who is watching?
There's no one watching (Watching)
No one watching
(Watching)
No one's watching (Watching)
No one's watching
(Watching) Oh, oh, ooh, oh
No, no, no
