Scales (feat. Kelela)

Solange

[Solange and Kelela]
Candy red things gonna spend
With that big body you down ride
And that armor in your mouth
You're gonna shine
Your wrist talking vou it's only time
Put the incense on
Cover up the smell
And if you boys still down I know you'll never tell
You're a superstar
You're a super star
Always shining in the night
And your skin glowing in the moonlight[Solange]
The streets say you're a king
The world Says you're a failure
And you mother is a queen
But damn she always tells ya
'You gonna end up like daddy'
But damn that nigga fresh
So if it all comes out to pan
You gonna end up like the best
You say 'look on the tv... they all want to be me'
For nothing, whatever it's worth, it's something
Ain't no apologizing, for all of the thing you want
So if dreams only go so far
They'll come to where you are
[Solange and Kelela]
Candy red things gonna spend
With that big body you down ride
And that armor in your mouth
You're gonna shine
Your wrist talking vou it's only time
Put the incense on
Cover up the smell
And if you boys still down I know you'll never tell
You're a superstar
You're a super star
Always shining in the night

And you're skin glowing in the moonlight
