Kwesta

[Hook]
Hey babo, chin
Yin'khaloko, chin
Tsela b'yala renwe bo[Verse 1: Kwesta]
The blacker the berry the sweeter the juice
These thirsty yellowbones just don't got the tube
Not gonna lie, ngiyaphuza
Bafana bam lana niya luza
The boy ain't got nothing to prove
But ngzom shela lama yellowbones
I got one on the song, oh my God she's a beaut
Still sipping on Heinekken nabo achuse
Ziyakhipha, bo-barman just bring out the booze
Ngizok padala goed
Nak'sasa singabuthlaza goed
iKhanda [?]
iBabalaz khup'
Hayingphuza ke mtana ungabuzi
I might give a fuck so khumula ube nqun
I'm K1 'til they put my name on the tomb
You loved me before, now you say I'm a douche
You get to the pozzie uyang'hlupha
But I'm just posing, I'm cool
At least I impose on the school, got souls in the booth
They haunting the notes on this tune, hayi sukaAsphuze
[Hook]
[Verse 2: Dj Buckz]
Every little single night
We popping shit asibuzi
Sipping on that champagne like
Thela ubtywala siphuze
Everytime I think about the things that I could do
With this rhyme and this high
My fist is ska tlo mphunya
Niggas ain't gon see this coming
O ka se nketse selo 'cause I got this game on a leash, nigga
And every time I tell niggas to practice what they preach, twitter
There ain't no mistaking my punchline
It's my time to teach

We be burning all the cheese
While we counting all the Gs
Unlocked, we got all the keys
Roll up and up
When we done with this song we'll be gone we'll be overseas[Hook]
[Verse 3: Okmalumkoolkat]
K'gqum' amabodhlela

Four four, poroza the nectar
Vodoka tequila ntwana relax
And order the magnum

Siyasebenza mfana k'khal' ifosholo
Senza k'phela baba as'sabi vokol
Sa gazata wena ubhamb' ishukela
Ungazos'qala wena ngcono ubulele
