

# Crises

## Naikaku

Crises, crises, you can't get away  
Crises, crises, you can't get away  
Crises, crises, I need you on my side  
'Cause there's a crisis and you can't get awayCrises, crises, you can't get away  
Crises, crises, you can't get away  
Crises, crises, I need you on my side  
'Cause there's a crisis and you can't get awayCrises, crises, you can't get away  
Crises, crises, you can't get away  
Crises, crises, I need you on my side  
'Cause there's a crisis and you can't get awayTake a walk until the next dawn  
In the winter, rain and stormsThe watcher and the tower  
Waiting hour by hourThere's a breech in the security  
A disturbance in tranquilityThe watcher and the tower  
Waiting hour by hourThe watcher and the tower  
Waiting hour by hourThe watcher and the tower  
Waiting hour by hourThe watcher and the tower  
Waiting hour by hour
