

para siempre

DJ Sancho

El dia que te conosi me enamore de ti
Porque eres todo lo que busco en una mujer
Nunca me imagine que podria ser
Ahora que te tengo nunca voy a soltar
Porque eres la unica cosa en mi vida que es verdad
Y ahora estoy poniendo de rodilla
Para preguntarle si quiere ser mia por siempre Yo quiero estar contigo mi amor
Yo quiero darte todo mi corazon
I wanna be with you for the rest of my life
Just say I do and just be my wife Yo quiero estar contigo mi amor
Yo quiero darte todo mi corazon
I wanna be with you for the rest of my life
Just say I do and just be my wife We gone thru the tough times
The thick and the thin
But we in this game
To come out with the win
And together we can be the couple that everybody sees
The one that how long it took for us to be
If they only knew what it took to be this way
They would probably go back in time
to change the date that they Lost that special someone that they loved again
and realize that was much much more to share
I never want to loose you in this life time
So I have to put my foot down cuz ur so one of a kind
I have to do this the old fashion way
Get on one knee and let ur heart hear me say Yo quiero estar contigo mi amor
Yo quiero darte todo mi corazon
I wanna be with you for the rest of my life
Just say I do and be my wife Yo quiero estar contigo mi amor
Yo quiero darte todo mi corazon
I wanna be with you for the rest of my life
Just say I do and be my wife Mi amor te prometo ke voy hacerte fiel
Que voy a estar contigo mi amor para siempre, hasta la muerte Yo quiero estar contigo mi amor
Yo quiero darte todo mi corazon
I wanna be with you for the rest of my life
Just say I do and be my wife Yo quiero estar contigo mi amor
Yo quiero darte todo mi corazon
I wanna be with you for the rest of my life
Just say I do and be my wife Yo quiero estar contigo mi amor

Yo quiero darte todo mi corazon
I wanna be with you for the rest of my life
Just say I do and be my wife
