

Love Me Anyway

The Mowgli's

I've been drinking too much
Not been thinking enough
She's been coming around, but I've been gone
I've been taking my time
Always walking that line
Between what I know is right and what is wrong
Just another day of growing up
I get stuck in my romance and
I can't win, no matter what I say
But you love me anyway
Oh, you know I love you
But no, I am not a saint
Oh, I make stupid mistakes
But you love me anyway
Oh, I forgot your birthday
And yeah, I show up late
Oh, I'll get it right someday
'Cause you love me anyway
I've been smoking too much
But I'm giving it up
I feel this air in my lungs, so won't you stay?
'Cause I go crazy sometimes
Always think that I am right
You, my love, in my life forever, babe
Just another day of growing up
I get stuck in my romance and
I can't win, no matter what I say
But you love me anyway
Oh, you know I love you
But no, I am not a saint
Ohm I make stupid mistakes
But you love me anyway
Ohm I forgot your birthday
And yeahm I show up late
Oh, I'll get it right someday
'Cause you love me anyway
Oh-oah-oah-oah
Oh-oah-oah-oah
Oh-oah-oah-oah-oah
Yeah, you love me anyway
I've been drinking too much
Not been thinking enough
But I'm coming around, so won't you stay?
Oh, you know I love you
But no, I am not a saint
Oh, I make stupid mistakes
But you love me anyway

Oh, I missed out your birthday
And yeah, I sure can stay
Oh, I'll get it right someday
'Cause you love me anyway Oh-oah-oah-oah
Oh-oah-oah-oah
Oh-oah-oah-oah-oah
Yeah, you love me anyway Oh-oah-oah-oah
Oh-oah-oah-oah
Oh-oah-oah-oah-oah
Yeah, you love me anyway Oh-oah-oah-oah
Oh-oah-oah-oah
Oh-oah-oah-oah-oah
Yeah, you love me anyway
