

The Man In The Moon

[Adrian Belew](#)

There i stood in the night
Out on the broken pier
Me with my feet in the sea
You with your face in the clouds,
The man in the moon
And as i heard your voice,
Felt your laugh
Flood across the broken pier
I wanted to die right then and there You smiled down across the waves
As if to say to me
"everything will be okay,
Be strong and true"
And i felt your eyes
Like the tide
Pulling me out into the air
For a moment in time
You held me there,
Father and son,
Home again'
