I'm Stupid

Ana Johnsson

I`m stupid, you`re smarter
I`m stupid, thinking there`s a way
This could turn out rightI`m dreaming, you woke up
I should have known from the start
That you were never mineCause if I can`t make you love me
You`re out of reason to stay
Make it easy on yourself
Don`t worry `bout me
Can`t make you feel somethin you don`tI`m crying, but don`t pity
I`m dying, but just walk away
It will be alrightCause I was dreaming, but you woke up
And I`m gonna miss you but I
I`m gonna be alrightI`m stupid, you`re smarter
I`m stupid, thinking there`s a way
This could turn out rightCause if I can`t make you love me
You`re out of reasons to stay
Make it easy on yourself
Don`t worry 7bout me
If I can`t make you love me
You`re not the one here to blame
I will make it on my own
Don`t worry `bout me
Don`t worry `bout me
Don`t worry `bout me
If I can`t make you love me
