Bless the Broken Road

Selah

I set out on a narrow way
Many years ago
Hoping I would find true love
Along the broken roadBut I got lost a time or two
Wiped my brow, kept pushing through
I couldn't see how every sign
Pointed straight to youBut every long lost dream
Led me to where you are
Others who broke my heart
They were just northern starsPointing me on my way into your loving arms
This much I know is true
That God blessed the broken road
That lead me straight to youI think about the years I spent
Just passin' through
I'd like to take the time I lost
And give it back to youBut you just smile and take my hand
You've been there, you understand
It's all part of a grander plan
That is coming trueThat every long lost dream
Led me to where you are
Others who broke my heart
They were just northern starsPointing me on my way into your loving arms
This much I know is true
That God blessed the broken road
That lead me straight to you
Straight to youNow I'm just running home into my lover's arms
This much I know, I know it's true
That God blessed the broken road
And led me straight to you
Yes, God blessed the broken road
And led me straight to you
Straight to you
