

Satisfied

Andrew Bird's Bowl of Fire

Well, I am going on home, now I guess, Im satisfied
Go on home, now I guess, Im satisfied
Please, tell me as I dont know
Why Im splayed out on the floor
What its like, what its like to be satisfied? Well now, I'll go alone, now I guess, Im satisfied
I'll go alone, now I guess, Im satisfied
I'm all alone, now I guess, Im satisfied
La-last night, last night, Lord, how I cried? Yeah I'm little bit old, now I guess, Im satisfied
Little bit old, now I guess, Im satisfied
Please, tell me, I dont know
Why Im splayed out on the floor
What its like, what its like to be satisfied? Well, I am going on home, now I guess, Im satisfied
I'm going home, now I guess, Im satisfied
I'm going home, Lord, guess, Im satisfied
Last night, last night, Lord, how I cried?
Oh, last night, last night, Lord, how I cried?
