

You're Nobody 'Til Somebody Loves You

The Supremes

You're nobody 'til somebody loves you
You're nobody 'til somebody cares
You might be king, you might possess
The world and all its gold
But gold won't bring you happiness
When you're growing oldThe world is still the same
You'll never change it
As sure as the stars shine above
You're nobody till somebody loves you
So find yourself somebody to loveYou're nobody 'til somebody loves you
You're nobody 'til somebody cares
You might be king, you might possess
The world and all its gold
But gold won't bring you happiness
When you're growing oldThe world is still the same
You'll never change it
As sure as the stars shine above
You're nobody till somebody loves you
So find yourself somebody to love
