

Way To My Heart

Danko Jones

Baby, you drive me crazy
I can say that, this is the way to my heart
baby, you were born to raise hell
and this is the way to my heart
Baby, you're x-rated
and I can say that this is the way to my heart
Baby, you're understated
and I can say that this is the way to my heart I'm like a loaded gun
You can pull the trigger if you want some
Let's go on the side of the road
I can be your Romeo Baby, you drive me crazy and I can say that this is the way to my heart
Baby, you were born to raise hell
and I can say that this is the way to my heart
Get ready to run all night long....get ready to run(2x)I'm like a loaded gun...I'm like a roller coaster up and down
I like to Uuh ahh Uhh, give me a call when you're coming 'round
Get ready to run all night long....get ready to run
get ready to run 'cause this is the way to my town
