Track Title: Music TingThey say you get out what you put in

I've been screaming Boy Better Know CEO on the roads

From about 6 years ago

And what have I have to show apart from the stress and woe

Chart success? No

But a fan base that still grows

They say you rip what you sow

Now I'm an old strider

Somebody pass me the fertilizer

Promoter didn't you read the rider

I earn a wage on the stage

Tryina sell this seed

I just gaze at these ravers they're just so deceived(Chorus)

They don't what me round here

But I slipped in (slipped in) ya, ya, ya

The music ting

No, no, no, no, no

They don't what me round here

But I slipped in (slipped in) ya, ya, ya

The music tingThey say money makes the world go round

But it was spinning before currency

Those who choose to keep their eyes shut

Shall no know better than those who cannot see

But I can see better than most of you

Cuss I been a veteran

Since my hepatitis injection

Since mom-se had the C-section

From birth I know why I was put on this earth

To see the difference between what something costs

And what it's worth

It wasn't a gift or a curse

It was something I had to learn

If I'm faced with 2 bad options in life I know what's worse(Chorus)

They don't what me round here

But I slipped in (slipped in) ya, ya, ya

The music ting

No, no, no, no, no

They don't what me round here
But I slipped in (slipped in) ya, ya, ya
The music tingSee they think we're crooks-se
They were looking at the bad not the good
That's why I'm biggin-up man like Nooks
He was still bookin us man for the shucks
That's why I'm biggin-up man like AJ
He won't forget man on pay day
Instant bank transfer no lay lay
Not left out in the rain like Ray-J
Can't forget man that don't forget me
So I'm biggin-up man like Tim and Barry
Together like weed and danny
Together like Brook and Anthony
I told you they won't forget me
On my famous album they blessed me
I'm biggin-up man like SP
Keepin my face on the screen safe(Chorus)
They don't what me round here
But I slipped in (slipped in) ya, ya, ya
The music ting
No, no, no, no, no
They don't what me round here
But I slipped in (slipped in) ya, ya, ya
The music ting
