How About Now

Blue Sky Riders

Here I go again, I'm caught in a trance
All you brothers and sisters
Join in the dance
Life is a mystery and love is the chance
It's dying to take
thought I heard forever
Now I hear better
And I know somehow some wayI'm gonna be free
One day, I'm gonna feel like I'm feelin' right now
If it was up to me
I'd wake up every morning laughin' out loud
I'd be startin' all over
When will the devil stop draggin' me down
How about nowwhat are we waitin' for?
We're all runnin' in place
Hell's finally frozen over and
I'm putting on skates, I made my mind up
Misery won't be my fate from this moment on
I've been good at drivin', just not arrivin'
But that's so about to changeI'm gonna be free
One day I'm gonna feel like I'm feelin' right now
If it was up to me
I'd wake up every morning laughin' out loud
I'd be startin' all over
When will the devil stop draggin' me down
How about now?Oh it's all too easy
The next time she sees me
I'll just smile and walk awayI'm gonna be free
One day I'm gonna feel like I'm feelin' right now
If it was up to me
I'd wake up every morning laughin' out loud
I'd be startin' all over
When will the devil stop draggin' me down
How about now?
