

I Know It's Gonna Happen Someday

[Morrissey](#)

My love, wherever you are
Whatever you are, don't lose faith
I know it's gonna happen
Someday, to you Please wait
Please wait
Oh wait
Don't lose faith You say that the day just never arrives
And it's never seemed so far away
Still, I know it's gonna happen
Someday, to you Please wait
Don't lose faith
