

# Catch 22

## Little Boots

(Oh oh, oh oh, oh oh, oh oh)  
It's a strange sensation  
When you see your face and  
Look into your eyes  
But you don't recognize them  
It's hard to explain it  
When you read your name and  
See all of your words in new arrangements  
So open up my head and tell me what I'm needing  
Yeah, follow me to bed and tell me what I'm dreaming  
It's so bizarre, I know I'm saying things I never said  
Whatever's next  
Positive and negative can only attract  
And I'm caught in a trap  
And I'm helpless (I'm helpless)  
You need me and I need you  
So what can I do?  
I, I just want the truth  
But I'm caught in a catch 22  
(Oh oh, oh oh, oh oh, oh oh)  
Idle conversation is a dangerous occupation  
Casual remarks can leave you brokenhearted  
Even when you're bleeding  
Can't bite the hand that feeds you  
Who knows, who believes in what they're reading?  
Positive and negative can only attract  
  
And I'm caught in a trap  
And I'm helpless (I'm helpless)  
You need me and I need you  
So what can I do?  
I, I just want the truth  
But I'm caught in a catch 22  
(Oh oh, oh oh, oh oh, oh oh  
Oh oh, oh oh, oh oh, oh oh  
I'm caught in a catch 22)  
So open up my head and tell me what I'm needing  
Yeah, follow me to bed and tell me what I'm dreaming  
It's so bizarre, I know I'm saying things I never said

Whatever's next  
Positive and negative can only attract  
And I'm caught in a trap  
And I'm helpless (I'm helpless)  
You need me and I need you  
So what can I do?  
I, I just want the truth  
But I'm caught in a catch 22  
Positive and negative can only attract  
And I'm caught in a trap  
And I'm helpless (I'm helpless)  
You need me and I need you  
So what can I do?  
I, I just want the truth  
But I'm caught in a catch 22  
(Oh oh, oh oh, oh oh, oh oh)
