# Hello

## Rollins Band

hello, hello, hello
hello darkness
hello painwelcome back my friends
so good to see you againwhy did you leave me
all by myself?
without you what would I do?
how would it feel to have to be real?sometimes I feel like I'm living in a coma
but then I realize
I'm just lonely
I'm just lonely
I'm just lonelyhello, hello
hello darkness
pain, memories, shame
all the time wasted
self pity and blame
there you'll go now you know
been so long down below yeahand sometimes I'd like to start all over
but then I realize
I'm just lonely
I'm just lonely
I'm just lonelyhello, hello
hello memories return
bridges I've burned
the lessons I've taught weren't the lessons I learned
and somehow I got this far
but I don't, I don't, I don't know how manand sometimes I don't even want to be alive
but then I realize
I'm just lonely
I'm just lonely
I'm just lonely
