I Am Incinerator

Superdrag

I am incinerator, I have nothin' to lose
Right hand of the creator today
Feels all right, ohI am incinerator, I owe nothin' to you
I stand on the equator today
Feels all right this wayIf you ever pull that shit again
Never see you the same way again
It's embarrassin', I guess, it's American
It's embarrassin'I am incinerator, I am dead to the world
I'll do whatever to please you today
Feels all right this wayIf you ever pull that shit again
Never see you the same way again
It's embarrassin', I guess, it's American
It's embarrassin'If you ever pull that shit again
Never see you the same way again
It's embarrassin', I guess, it's American
It's embarrassin'Let's get drunk with Harrison
Mike Harrison, oh, oh, oh
