I Dont Love You

My Chemical Romance

Well, when you go
So,don't ever think I'll make you try to stay
And maybe when you get back
I'll be off to find another wayWhen after all this time that you still owe
You're still a good for nothing I don't know
So take your gloves and get out
Better get out while you canWhen you go and would you even turn to say
"I don't love you like I did yesterday?"Sometimes I cry so hard from pleading
So sick and tired of all the needless beating
But baby when they knock you down and out
It's where you ought to stayWell after all the blood that you still owe
Another dollar's just another blow
So fix your eyes and get up
Better get up while you can, whoa whoaWhen you go and would you even turn to say
" I don't love you like I did yesterday?"
Well come on, come on!When you go, would you have the guts to say
"I don't love you like I loved you yesterday?"I don't love you like I loved you yesterday
I don't love you like I loved you yesterday
