

# I am Sorry

## Diathra

I'm sorry I yelled at you  
'Bout the baby's clothes  
'Bout the car on fire  
About loveThe seven year itch  
Is quite a bitch it's true  
But believe me, I don't lie  
I love youAnd we can make it  
If you don't break it  
It's up to youWhen the fire gets cold  
It's really cold  
And to believe in you  
Really believe in you  
It's hard to doI'm sorry I yelled at you  
'Bout the baby's clothes  
'Bout the car on fire  
About loveAnd we can make it  
If you don't break it  
It's up to youThe seven year itch  
Is quite a bitch it's true  
But believe me, I don't lie  
I love youI am sorry I yelled at you
