Not Afraid Anymore

Halsey

[Verse 1]
I am not afraid anymore
Standing in the eye of the storm
Ready to face this, dying to taste this, sick sweet warmth
I am not afraid anymore
I want what you got in store
I'm ready to feed now, get in your seat now[Chorus]
And touch me like you never
And push me like you never
And touch me like you never
'Cause I am not afraid, I am not afraid anymore
No no no[Post-Chorus]
No no no
No no no
No no no
No no no[Verse 2]
I am not ashamed anymore
I want something so impure
You better impress now, watching my dress now fall to the floor
Crawling underneath my skin, sweet talk with a hint of sin
Begging you to take me
Devil underneath your grin, sweet thing, but she play to win, heaven gonna hate me[Chorus]
And touch me like you never
And push me like you never
And touch me like you never
'Cause I am not afraid, I am not afraid anymore
No no no[Bridge]
Crawling underneath my skin, sweet talk with a hint of sin
Begging you to take me
Devil underneath your grin, sweet thing, bet you play to win, heaven gonna hate me[Chorus]
And touch me like you never
And push me like you never
And touch me like you never
'Cause I am not afraid, I am not afraid anymore
No no no
