# A House With Love In It

## The Oriole Four

A house with love in it is rich indeed
although there are a thousand things that house may needThe carpet may be old, the room so plain and bare
and yet it's beautiful somehow when love is living thereA house with love in it just seems to bloom
as though the month of may were filling every roomSo darling true the years with all my heart I'll pray
a house with love in it is where we'll staySo darling true the years with all my heart I'll pray
a house with love in it is where we'll stay.
