

You Hit the Nail On the Head

Funkadelic

You hit the nail on the head You hit the nail on the head Just because you win the fight

Don't make you right

Just because you give

Don't make you good Just because you win the fight

Don't make you right

Just because you give

Don't make you good Just because you win the fight

Don't make you right

Just because you give

Don't make you good Just because you win the fight

Don't make you right

Just because you give

Don't make you good Just because you win the fight

Don't make you right

Just because you give

Don't make you good Just because you win the fight

Don't make you right

Just because you give

Don't make you good Just because you win the fight

Don't make you right

Just because you give

Don't make you good Just because you win the fight

Don't make you right

Just because you give

Don't make you good Just because you win the fight

Don't make you right

Just because you give

Don't make you good Ahh, somebody said, [unverified]

Somebody there is crying

Somebody said it's [unverified]
