

# Don't Let It Slip Away

Glenn Hughes

My brain is automatic  
My body, my machine  
I don't listen to the static  
'Cos I'm somewhere in between  
It's time to face the music  
It's time to make a plan  
You know I'm telepathic  
I'm your hoochie, coochie man  
I can't let it go  
No, I can't let it go  
And it don't bother me at all  
So let me introduce myself  
In case you didn't know  
That one thing comes before my health  
This child has gotta grow  
Don't let it slip  
Don't let it slip away  
Don't let it slip  
Don't let it slip away  
Don't let it slip  
Don't let it slip away  
Don't let it slip  
Ohh, woh, ohh, woh  
I'm not tryin' to be reckless  
But I am a little vain  
I have a kinda weakness  
I'm addicted to the pain  
You can call me papa  
Or you can call me G  
And I will go the distance  
Ohh, you will agree  
I can't find a cure  
I can't find a cure  
And it don't bother me no more  
So let me introduce myself  
In case you didn't know  
That one thing comes before my health  
This child has gotta grow  
Don't let it slip  
Don't let it slip away  
Don't let it slip  
Don't let it slip away  
Don't let it slip  
Don't let it slip away  
Don't let it slip  
Ohh, woh, ohh, who  
[Incomprehensible]  
Don't let it slip  
Don't let it slip away  
Don't let it slip

Don't let it slip awayDon't let it slip  
Don't let it slip away  
Don't let it slip  
Don't let it slip away  
Yeah, yeah, yeah, yeahDon't let it slip  
Don't let it slip away  
Don't let it slip  
Don't let it slip awayDon't let it slip  
Don't let it slip away  
Don't let it slip  
Don't let it slip away  
Away, away  
Away, away
