Our Time for Love - Radio

JASSNIRO feat. Solange

OUR TIME FOR LOVE
(words& music by Jassniro)

It's time for love..it's time for love..(intro)
I'm trying to guess where are you now,
I'm trying to guess where have you've been,
I'm trying to guess what's wrong with me,
I've always tried to be kind to you.

I'm giving all my love you,
You're going mess around like that,
I'm trying to see our lives so far,
the things you make me bring me joy..

It's time for love, it's time for love, it's time for love.....(Chorus)

I'm trying to see my life with you,
it makes me think so many things..
I'm giving all my love to you,
the things you make me bring me joy..

It's time for love, it's time for love..(repeating...)

The things I want to get are very far from here,
The things I want to love belong to another world...

It's time for love, it's time for love...(till fading)...
