Mud shark,
Mud shark
You could hear the steam baby
You could hear the screamin' steam right now
As the reamer steams up the lake
Reenie weenie up to the snake
Acetylene nirvana
Haemorrhoids
Talkin' 'bout your haemorrhoids baby
Acetylene nirvana
Haemorrhoids
Talkin' 'bout your haemorrhoids baby
Steam roller
(talkin' 'bout your haemorrhoids baby),
Steam roller
Steam roller
(talkin' 'bout your haemorrhoids baby),
Steam roller

Now now girl
Acetylene nirvana
Haemorrhoids
Talkin' 'bout your haemorrhoids baby
Acetylene nirvana
Haemorrhoids
Talkin' 'bout your haemorrhoids baby
I need somebody to help me, help me
Help me, help me, help me, help me, help me
Hear the steam
See the steam
Hear the steam

Hear the steaming hot black screaming
Iridescent naugahyde python gleaming steam roller
Mud shark
All groupies must bow down
In the sacred presence of the latex solar beef
All groupies must bow down
In the sacred presence of the latex solar beef
Steam roller
(talkin' 'bout your haemorrhoids baby),
Steam roller
Steam roller
(talkin' 'bout your haemorrhoids mama),
Steam roller
(do it miles davis)
