

If Tomorrow Never Comes

Lyfe Jennings

Tell my mama, I know its been a while since I called you.
Cause I was jealous cuz you favored my brother.
Though we disagreed I always loved ya and
Tell my baby mama it wasn't my intention to hurt her
hope you find someone that deserve ya
I hope there's no hard feelings
If I could rewrite one sentence of my life
I would write the words I never say
tell you I love you every single day
see if I could somehow turn back the hands of time
I wouldn't waste a moment arguing
I'll never put you through that shit again[Chorus]
Cuz If tomorrow never comes
and you never see me again
I don't want yo last memories of me
to be filled with negativity
See if tomorrow never comes
all that fussing and fighting
wont mean nothing when its said and done
if tomorrow never comes And tell my auntie, that I was the one who broke the TV
I know that it happened in 93'
but I just had to get it off my chest, I guess
and tell my kids, that they will be especially missed
and if there's anything they should learned from this
is life is a gift tomorrows not promised no
if I could rewrite one sentence of my life
I would write the words I never say
tell you I loved you every single day
see if I could turn back the hands of time
I would say what's on my mind
and tell you thank you for being in my life[Chorus]
Cuz If tomorrow never comes
and you don't see my face again (see my face again)
I don't want yo last memories of me
to be filled with negativity
see if tomorrow never comes
all that fussing and fighting
wont mean nothing when its said and done
if tomorrow never comes
