My Heart Is For You

Fred Hammond

Now we've come to give You glory
'Cause there's nobody like You
And all together we sing
To a mighty risen King
Now we've come to give You praise
'Cause there's nobody like You
We lift our hands unashamed
To celebrate Your name
With singing we bless You, Lord
Singing we bless You Lord
With our hearts we do adore
Our hearts we do adore You, Lord
Wonderful are Your ways
Wonderful are Your ways
Please receive our praise
So Lord our praise we give to You
Now we've come to give our worship
'Cause there's nobody like You
And all together we sing
To a mighty risen King
You are the Lord of all
You are the Lord of all
There every time we call
For this we truly thank You, Lord
So Lord with all our might
So Lord with all our might
We lift Your name on high
Oh, Lord we lift Your name
Can't make it without You
I'm nothing without You
You're the air I breathe, the song I sing
Oh, Lord
My heart, let it please You
My praise, let it bless You
Let it be the sound You want to hear
Oh, Lord
My heart will be for You Lord always
My praise will be for You Lord always
My worship is to You Lord always

Can I get you to sing one more time
My heart will be for You Lord always
My praise will be for You Lord always
My worship is to You Lord always
My heart will be for You Lord
My heart will be for You Lord always
My praise will be for You Lord always
My worship is to You Lord always
My heart will be for You Lord
Can't make it without You
I'm nothing without You
You're the air I breathe, the song I sing
Oh, Lord
My heart, let it please You
My praise, let it bless You
Let it be the sound You want to hear
Oh, Lord
My heart will be for You Lord always
My praise will be for You Lord always
My worship is to You Lord always
My heart will be for You Lord
My heart will be for You Lord always
My praise will be for You Lord always
My worship is to You Lord always
My heart will be for You Lord
My heart for You Lord
Always, always
My heart for You Lord
Oh, Lord
My heart for You Lord
Always, always
My heart for You Lord
Oh, Lord
My heart for You Lord
Always, always
My heart for You Lord
Oh, Lord
